

STEVEN FARRUGIA

Founder & Director | Business Solutions Specialist

Steven is a Degree qualified Manufacturing and Management Engineer with a minor in Marketing and Economics who has developed his skills from initial trade qualification of Fitter and Machinist working his way through to higher education. His capability and experience base developed over 22 years through hands on application of Lean and Six-Sigma methodology in various industries.

Coupling his Lean Six-Sigma expertise with an extensive background in change and quality management, Steven holds a proven record in formulating strategy, coaching and inspiring people to bring about sustainable long-term business improvement across a client base ranging from SME's to multinationals. A serial entrepreneur Steve has founded and co-founded many successful businesses including his charitable venture called ShareTree, which is where he spends most of his professional life purposing his philanthropic passions.
